

Working With Solvents

- Oil-Based and Alkyd Coatings, Lacquer, Shellac and Alcohol-based Primer, Paint Thinner, Lacquer Thinner, Mineral Spirits, VM&P Naphtha, Xylene, etc.
- Always Use Ample Ventilation with Open Windows
- Wear Eye Protection
- Use Suitable Solvent-Resistant Gloves
- Wear Solvent-rated Respirator
- Keep Children, Pets, Spouse out of the Area
- Extinguish All Potential Sources of Fire
- Have Suitable Fire Extinguisher Nearby
- Dispose of Rags Properly; Rags Soaked with Oil-based Materials Can Ignite Spontaneously if Not Spread Out to Dry
